

FIRE FEATURES

FIREPITS & FIRETABLES

The perfect end to a great day is relaxing on your patio, as the cool evening air chills, no need to grab a heavy coat, fire up your Bull Fire Feature and sip on your favorite drink. Enjoy the warmth and elegance of Bull Fire Features year round.

Bull Outdoor Products uses only the finest Italian tiles, rock base and fire glass/rock materials to finish our fire features. Our master craftsmen build each fire feature to the highest industries standards, our fire feature designs are time tested and built to endure harsh outdoor elements.

We have 18 counter top materials and 12 base / siding materials to chose from, beautiful Italian tiles, multicolored Rock Base and Stucco Rock. These same quality materials can be found in fine homes & estates around the world.

Our fire features deliver 15,000 to 60,000 BTUs of warmth, Pre-Fab. construction allows for easy installation anywhere. Choose between propane or natural gas, custom designs are available, so dream it and let us build it!
